

Alzheimer's Disease International – How to find us

15 Blue Lion Place, London, SE1 4PU. [Google Maps link](#)

**Alzheimer's Disease
International**

For satnav directions, it is better to use the neighbouring postcode SE1 3TQ. The office entrance is off Bermondsey Street (not from Long Lane).

The ADI office is located at 15 Blue Lion Place on the third floor. It is a grey building located behind GAIL'S bakery on Bermondsey Street. The nearest mainline station and underground is London Bridge, on the Northern and Jubilee lines. Borough station is also in walking distance.

Walking from London Bridge (10-15 minutes' walk): Exit the station via the St Thomas Street exit (from the tube, follow signs to the main line station). On leaving the station turn left along St Thomas Street and continue walking until you reach Bermondsey Street. Turn right on Bermondsey Street, passing the Fashion and Textile Museum and the White Cube gallery. At GAIL'S bakery turn into the passage on the right and the office will be on your left. The building name is written in large letters on the building (as shown in photo).

Parking is not permitted on Bermondsey Street and Long Lane 08:30-18:30 Monday-Friday. There is an NCP car park on Kipling Street or paid bays on Decima Street.
